

**CATALOGUE OF AUSTRALIAN STAMPS PERFORATED
PCNZA (PERFIN CLUB OF AUSTRALIA AND NEW ZEALAND)**

By Peter Simpfendorfer ©

Last update 4 August, 2016

Stamps are listed on a simplified basis by Australian Stamp Catalogue (ASC) number. Some stamps that were issued prior to February 1998 (when the club perforator came into use) are included, see note below.

Stamps have only been listed if they have actually been sighted by myself or photocopies sighted.

Stamps are gummed (sheet perforation) unless marked s/a (self adhesive).

International stamps are noted by “bolding”.

Where se-tenant pairs, strips, blocks of four and sheetlets of ten are listed, the stamps may also exist as singles.

Separate catalogues exist for PCNZA perfins on Australian Territory stamps (AAT, Cocos Islands, Christmas Island) and New Zealand.

Acknowledgments: David Coath and Arthur Taylor submitted numerous images for inclusion in this catalogue and I thank them for this. Other items were sourced from my personal collection.

Errors and Omissions: These should be reported, with photocopies of any missing items to email address simpy19@bigpond.com or Peter Simpfendorfer, PO Box 2029, Wagga Wagga NSW 2650.
