

**AUSTRALIAN STAMPS PERFORATED**  
**PCNZA (PERFIN CLUB OF AUSTRALIA AND NEW ZEALAND)**

*By Peter Simpfendorfer*

*Last update 14 February 2023*

Stamps are listed on a simplified basis by Australian Stamp Catalogue (ASC) number. Some stamps that were issued prior to 11 February 1998 (when the club perforator came into use) are included, see note below.

Stamps have only been listed if they have actually been sighted by myself or photocopies sighted.

Stamps are gummed (sheet perforation) unless marked s/a (self adhesive).

International stamps are noted by “bolding”.

Where se-tenant pairs, strips, blocks of four, stamps with tabs and sheetlets of ten are listed, the stamps may also exist as singles.

Reprints (koala/kangaroo) may be left or right selvedge.

**Mini Sheets:** Following an alteration to the format, mini sheets are listed at the end of the catalogue for ease of checking.

Separate catalogues exist for PCNZA perfins on Australian Territory stamps (AAT), Cocos Islands, Christmas Island and New Zealand.

**Acknowledgments:** I thank all contributors who have provided images proving PCNZA perfins - David Coath and the Late Arthur Taylor submitted numerous images, Gordon Monk, Jerry Austen, Jason Rowe, Rob Brennan, Jeff Turnbull (UK), Michael Behm; John Amiet, Harold Waite (NZ) and John Tracey (apologies if I have missed anyone). Other items were sourced from my personal collection.

Errors and Omissions: These should be reported, with photocopies of any missing items to email address [simpy19@bigpond.com](mailto:simpy19@bigpond.com) or Peter Simpfendorfer, PO Box 2029, Wagga Wagga NSW 2650.
