

CATALOGUE OF NEW ZEALAND/ROSS DEPENDENCY STAMPS
PERFORATED PCNZA (PERFIN CLUB OF AUSTRALIA AND NEW ZEALAND)

By Peter Simpfendorfer

Last update 15 October 2019

Stamps are listed on a simplified basis by Len Jury Catalogue of New Zealand Stamps 2019 catalogue number.

Ross Dependency stamps are included at the end of the listing.

Some stamps that were issued prior to February 1998 (when the club perforator came into use) are included, see note below.

Stamps have only been listed if they have actually been sighted by myself or a photocopy sighted. There is a notation against several items “**reported but not seen**” indicating the image submitted does not show stamps with the PCNZA perfin.

Stamps are gummed (sheet perforation) unless marked s/a (self adhesive).

Where se-tenant pairs, strips, blocks of four and sheetlets are listed, the stamps may also exist as singles.

Separate catalogues exist for PCNZA perfins on Australian and Australian Territories stamps.

Acknowledgments: David Coath, the Late Arthur Taylor and Harold Waite have submitted numerous images for inclusion in this catalogue and I thank them for this. Other items were sourced from my personal collection.

Errors and Omissions: These should be reported, with photocopies of any missing items to email address simpy19@bigpond.com or Peter Simpfendorfer, PO Box 2029, Wagga Wagga NSW 2650.
